

## Discover the Five Senses Educator Trunk

Seeing, Hearing, Feeling, Smelling, and Tasting...

Our five senses help us explore the world around us! Use this trunk, geared for ages 3-5, to learn about our five senses and how we use them. With plenty of books to *listen* to, feathers to *feel*, scented jars to *smell*, and puppets to *look at*, you and your students will have a blast discovering your five senses!
