

Animal Tracks Educator Trunk

The *Animal Tracks Trunk* is geared for grades PreK – 2nd, but would make a great wintertime activity for students of any age. Learn what tracks are made by which animals, read about how to track animals, and test your skills with a memory game. This trunk, filled with Nebraska-specific animal tracks, is sure to teach students about Nebraska's wildlife and foster an appreciation for nature!

The *Animal Tracks Educator Trunk* Includes:
